SCHOOL BASED TRAINEESHIPS AVAILABLE

LOCATION: Arundel
Hirum Software Solutions

Available to school students in years 10 and 11. Students are required to work a minimum of 7.6 hours per week.

This is an amazing opportunity for students interested in gaining valuable experience and further development of their skills. Students will have the chance to work in different roles including: working closely with the tourism industry and the social media marketing department. This will suit students who enjoy using creative skills to design and update company newsletters, websites and campaigns. In a second department, the student will be working on websites, assisting in building the, and using existing templates. There will be chances to contribute or build their own templates as the student becomes more experienced. This may lead to a real career pathway.

This may contribute significantly to your **Year 12 Certificate**.
