

Could you be The next Bill Gates, Mark Zuckerberg or Larry Page?

Are you creative and resourceful? Then don't miss this incredible opportunity to gain the skills and knowledge you need to take an original business idea from concept to commercialisation.

The Diploma of Business-Entrepreneurship is an innovative and hands-on approach to learning and developing young minds into future Business leaders.

Our program features guest speakers and mentors from the Gold Coast's Innovation Start-up Ecosystem, including successful local technology entrepreneurs.

'Wavebreak International', the Gold Coast's leading technology incubator will be working in partnership with Prestige Service Training to provide an amazing Young Entrepreneurs Accelerator Program to year 11 and 12 students on the Gold Coast.

Are you ready for the challenge?

Follow in the footsteps of successful entrepreneurs with support from the local innovation industry. We will nurture your business concept and guide you through the processes involved in transforming ideas into a start-up success:

- Develop an original concept
- Conduct market research
- Plan operations and finances
- Pitch your plan to a panel of Investment Angels.

The units studied through the PRESTIGE-ous Diploma of Business training package is carefully chosen to enhance the required skills and knowledge to progress with your business and enable a direct pathway into university business entrepreneurial degrees.
