(payment plans available)

GET TO IT!

If you are all about digital, if geek and nerd are badges of honour you wear proudly - this is the course for you!

The IT world is fast-paced, ever changing and woven into the fabric of all human activity. Multiple pathways and diverse specialisations offer exciting opportunities for satisfying and successful careers. Our PRESTIGE-ous program allows you to choose your path - Support or Web.

Each course is tailored for the chosen field of study, where you gain vital skills and valuable knowledge.
The Support pathway focuses on system administration, hardware and software maintenance, networking and providing advice to clients.
The Web pathway focuses on site design, building, maintenance and review, as well as social media tools and digital imaging.

Our qualified trainers with current industry experience will mentor you through an 'After School Program' with face to face lessons at our Southport Campus with extra tutorial support available if needed.

What are you waiting for?
