

AID YOUR CAREER

WITH FIRST AID

with Prestige Service Training.

Accidents can happen anywhere and at any time, are you equipped to help?

The WHS Act requires all Australian employers (PCBU's) to have an adequate number of training people in First Aid available in the workplace.

The 'PRESTIGE-ous' course equips participants with the skills and knowledge to confidently and correctly perform First Aid on a range of injuries and illnesses.

Upon successful completion of the program, you will earn a nationally recognised Statement of Attainment for the unit you have completed.

Prior to the course commencement date, we will provide you with pre-course literature to be submitted a week before the start date (this will allow time for any revisions that may be needed).

So, what are you waiting for? Invest in your future and get ready to increase your employment opportunities today!
