BE YOUR OWN BOSS

Are you eager to turn your business dreams into reality? You can look no further than our Certificate III in Entrepreneurship and New Business.

This nationally recognised qualification is the perfect way to empower your enterprise ideas and start creating your own small business - all before you finish school!

With our expert trainers and weekly online classes, you'll gain the fundamental skills and knowledge to back your business goals. Plus, our virtual classroom is an excellent alternative for busy students who want to complete the course outside regular school hours.

Take advantage of this opportunity to turn your passion into a career. Enrol in our Certificate III in Entrepreneurship and New Business today and begin building your business!

ENROLMENT & ELIGIBILITY

To enrol with Prestige Service Training, applicants must have completed year 10 or equivalent, and demonstrate proficiency in English by the course start date. Enrolment confirmation includes completing the LLND Assessment, sent via email. A USI and proof of identity are required. Reliable internet, basic computer skills, and access to necessary software are essential. Online students need a camera and microphone. Full eligibility and enrolment requirements are available at pst.edu.au.
